Dear Parents and Caregivers

We are delighted to launch our communication and reporting system, Hero. An online sharing platform with complementary smart app.

Hero allows schools to customise an online environment that enables teachers, students, and families to view and share content anytime, anywhere on any device. The software is secure, easy to use, and brings together all school-related information in one place.

With Hero, you have the ability to:

- read posts relating to your child's learning
- view information on your child's progress and goals,
- read school notices sent to the class or groups your child is part of
- view finances

Learning posts combined with curriculum information and goal-setting will form an online report designed to showcase your child's learning over their two years at Bohally so you will have access to written posts, images, video, work samples, and helpful resources all in one place.

Over the coming year, staff and students will be posting rich content to our Hero software. We are looking forward to sharing this with you, including you in your child's learning journey.

To access Hero you can either download the smart app from the Google Playstore OR from the Apple App Store. Or you can access it online at <https://hero.linc-ed.com/>

Click the login button on the top right-hand corner. Then click Forgot Password. Use the email address that you used when enrolling your child at Bohally. If you are unsure of this email address you can contact your child's classroom teacher OR the office. Once you have entered the email address you will need to check your email for a link to reset the password. This will take a few minutes. If you do not receive an email - check your junk/spam folder. If it is still not there then you have used the incorrect email address. Check with your child's classroom teacher or the Bohally Office and update us with the correct email address.

Once you have the link to reset your password you will be able to create a password for your account and login to view your child's information.

Any questions please do not hesitate to contact your child's classroom teacher or the office.

Kind regards
The Bohally Team.
