

3rd March 2021

Dear Parent/Caregiver

### Junior Winter Netball Competition

The 2021 netball season is just around the corner so our preparations must begin. This year the netball season will run between 22nd May and 21st August at Lansdown Park Netball Courts and games run from 9:30 am – 4:30 pm. If your child commits to a netball team it is expected that they are there every weekend, when possible.

As you can imagine, organising high numbers of players into teams is a mammoth task and the selection committee endeavour to do their best. Players do have an option to select their own teams if they do not want to trial for the top three teams. This will be discussed with the players. If your child is wanting to trial for the top teams, however, it is expected that they attend at least two trial sessions.

**To sign your child up for this season please register your child through the sporty link <https://www.sporty.co.nz/viewform/152168>. Once they have been registered to sporty and I print out a list of players.**

**Subs for this year are \$70.00 and are expected to be paid into the school account (ASB 12 3167 0106660 00) or paid in cash to the office by Friday the 9th April so we can pay Marlborough Netball. Ensure your child's name and NETBALL are in the reference fields. Please contact me if you have any concerns.**

If you are willing to help out as a coach or manager or you know of someone that is please email me at [rowie.o'driscoll@bohally.school.nz](mailto:rowie.o'driscoll@bohally.school.nz) with your full name, your child's name, and contact details. In the previous seasons, we have struggled to find enough coaches. Teams can not be entered into the season without a coach and manager.

Any questions, please contact me.

Kind regards,

Rowie O'Driscoll
